~ A GOOD PLACE TO BE ~
HEAVY BREEZES

*heavy breezes
summer slowness
bring me to dreams*

Around Zee, most doors are closed
against the summer heat,
but Zee is on her back balcony,
door open wide, waiting for Jack, who, she knows,
is on his way home this evening, as every evening,
knowing she's waiting.

A soft-covered book lies open beside her.

Zee hasn't been reading.
She's been feeling the summer heat
soak into her skin.

HEAVY BREEZES

*Heavy breezes
Summer slowness brings me to dreams*

I feel your nearness
You're approaching
 I know it
this evening as every evening

I am waiting
You're approaching

evening coolness barely starting
air barely moving
 against my skin

dusk in the city
dust on leaves
 on balcony railings
 on geraniums
 still deep red

shadows longer than buildings
windows closed to keep in coolness

but my window is open

I know you are coming

quiet in the evening
traffic hum steady
geraniums bright red

*Heavy breezes
Summer slowness brings me to dreams*

the window's open
the back door's open

I'm on the balcony
came home early
made iced tea
 with lemon slices

now a book lies beside me
soft cover bent wide open

I look upward
 at the twilight
 at ivy dark
 against a darkened wall

I am waiting
 content easy
feel you approaching

I am waiting
I know you're coming
 perhaps at a corner
 light red
 engine idling
 groceries on the seat beside you
 you easy
 sure of me

the light changes

I am waiting
 reading
 or not reading
 idling
 a book beside me

*We're past the crossroads in our loving
no more doubting*

*Heavy breezes
Dusky dimness brings me to dreams*

~ *WHAT NEXT?* ~
STOP WAIT GO

Then it's night time.

Supper is over.

Outside it's still light.

Inside, it's stop, wait ...

STOP WAIT GO

Stop
my heart is aching

Stop
my heart is waiting

Hold
I've stopped breathing

Cold
Can't you see how
your love wakens
my being
every atom of me freeing

Cold
Can't stop shaking

Bold
yet fearful waiting

Hot
and
Warm
and
Loving

Stop
my heart is racing

Stop
desire is lacing
my blood with fire
making
me bold
yet quiet
letting the love that's breaking
sweep through me
taking
me to closeness
nearness
love

Go
 I'm not leaving

Go
 Keep believing

Go on until
 we meet
 in loving

that stops
 the aching

soothes
 the heart

making
 more
 closeness breaking
 through
 to my heart

Your heart beating

Two
 bodies meeting
 gentle
 caressing
 the touch
 a blessing
 a loving
 meeting

lasting
 fleeting
then repeating
 holding
making
 the deepest greeting

until

Stop
Hold
Go

and take me
 in your arms
 your life
 your heart
making
 more
 than one plus one
making
 a love
 that flows throughout time

Let me love you
 sweetheart of mine

Stop
Wait

Floodgates are breaking
sweeping away the hesitating
Hold me close
I've been feeling loving
 lately

Stop
Go on with the loving

Hold me close
 Hold me close
 Hold me close

Let me break free
 of waiting
 hesitating

Wait

for me
 as I lie trembling
in your arms
 hoping remembering
 your tender loving

Hold
me I know you're staying
Wait
There's still no saying
where this flow will take us
but no use complicating
this game of love we're playing
with fears
you'll be betraying
me
or you
better things to do

Love
I feel safety
Love
is what's generating
slowly
quickly
thinly
thickly

Stop
Wait
Go on

~ *EVEN CLOSER* ~
THE WARMTH WITHIN

They do go on.

Summer nights.

And the warmth within.

THE WARMTH WITHIN

touch me with your hand
 my dear
pull me close
 against your chest

hold me in your arms
 my dear
your heartbeat
 giving me rest

let my hands
 my dear
caress your skin
feeling the warmth
 my dear
 the warmth within

let me lie curled
 my dear
your back
 touching mine

let me feel
 my dear
you turn
 and find

that I welcome
 my dear
your gentle hands
 on my face head
 neck back

let me stroke
 my dear
your warm skin
 and feel
 the warmth
 within

let me feel
 my dear
you feel my skin
 and the warmth
 within

let me caress
 my dear
your strong back
 your hips
 everything
 my dear

let me feel
 my dear
you feel my skin
 and the warmth
 within

let me feel
 my dear
your gentle hands
 on my face head
 neck back
 everywhere

my dear
your hands on my skin
feeling
my dear
 my heartbeat
 my breath
 my desire
 my dear
 from deep within

let your mouth
 my dear
seek mine

let your tongue
 my dear
push against mine

feel my gentle
 caress
feel my loving
 tenderness

let our loving
 my dear
touch more than the skin

feel the warmth
the growing warmth
the love and the warmth
 within

~ *PAST THE CROSSROADS* ~
more HEAVY BREEZES

*Heavy breezes
Summer slowness ... brings me to dreams.*

At some point, both Zee and Jack realize they've passed some crossroads in their loving, are past most of the doubting.

Early in the evening, usually home ahead of Jack,
Zee still sits out on the back balcony.

Usually a book is still open beside her.

Her mind is elsewhere.

*You'll be home
We'll make supper
Love
Love in the night time

~ *IN HER HEART, ZEE KNOWS* ~
NOW WE BELONG

Zee is sure.

Jack is sure.

They belong with each other.

NOW WE BELONG

I want to wake beside you
each and every morning
I want to sleep beside you
all night long

I want to make a life with you
all our lives long

I ache when you're gone

I want your arms around me
each and every evening
I want your love beside me
all night long

I want your warmth, your touch near me
all our lives long

We belong with each other

Your warm touch, my sweet darling
Your loving gaze, my sweet darling
Despite your guarded ways, sweet darling
You know

We belong with each other

I ache when you're gone

Your hand on my face, my sweet darling
My warmth against you, my sweet darling

The stream flows strong
The pull is strong, sweet darling
You know

I love you
We belong
You love me
We belong

I love you
You love me
We belong
We belong
with each other

all our lives long

Our love is sweet, my darling
Our love is strong, sweet darling
We belong
Oh we belong
with each other

We belong
long to belong
with each other

all our loves long

Birds build a nest
Beavers make a dam
Rabbits burrow into earth
They know they belong
with each other

Time for a home, sweet darling
We know we belong, sweet darling
with each other

all our lives long

~ ZEE RELAXES ~
RELAXED IN MY CENTER

A hundred hours of meditation,
a hundred hours of yoga,
a hundred winning lottery tickets
couldn't make Zee feel more relaxed.

RELAXED IN MY CENTER

I feel relaxed in my center
steady and centered
at ease with being me

yes
I feel unmasked in my center
ready from my center
to reach and still be free

seeing you
steady in your center
relaxed in your center
being yourself with me

Yet we're ready
passionately
to blow the quiet
to have a riot
to join together
ardently
to have a heady diet
of luxurious
intimacy
I wouldn't often try it
it's so unlike my everyday
me

But it sure is a pleasure
something that I treasure
enormously

Yet I still
feel relaxed in my center
 steady in my center
 easy with being me

and then we're moving together
 emotionally
 intellectually
 physically

and then we part for a while
in our steady relaxed style

dooby dooby do
dooby dooby do
 yeah yeah yeah yeah yeah yeah yeahhhh

ready
 to play and to join
 in the evening and the morn
 to know and be known
 intimately

 to plan and to play
 day by day
 in our own special way
 passionately
 casually
 variously

I feel unmasked in my center
ready from my center
to love and still feel free

seeing you
steady in your center
relaxed in your center
loving from your center
being yourself with me

Then once again we're ready
delightfully
to blow the quiet
to have a riot
to join together
ardently
and later we are silent
you do your thing I do my thing
pottering
comfortably

I feel relaxed in my center
steady in my center
easy with being me

seeing you
steady in your center
relaxed in your center
easy being with me

dooby dooby do
dooby dooby do
yeah yeah yeah yeah yeah yeah yeahhhh

you do your thing I do my thing
and sometimes we do our thing

dooby dooby do
dooby dooby do
yeah yeah yeah yeah yeah yeah yeahhhh

~ *STEADY STEADY STEADY* ~
READY TO SETTLE

There are moments
which seem to go on forever.

This is one of them.

In her heart,
Zee is convinced
it will go on forever.

She doesn't want anything to move.
Yet time is flowing.

It's no longer summer.

Early autumn.

She's steady, in an eddy, on a float.

READY TO SETTLE

Steady
Holding steady
 in an eddy
 on a float

Steady
Never better
 like butter soaking
 into toast

Ready
like flannel bedding
that keeps me
 warm as toast

Ready
 Ready
 Steady
 almost

Leave me in this eddy
 in this idle tidal pool

I am ready
 to settle
 not to settle *for*
 to settle *with*
 to settle *down*
 to settle *into*
 a steady
 loving with you
 almost

Gentle rocking
 from wavelets lapping
Gentle rustling
 from leaves brushing

Steady
Holding steady
 in an eddy
 on a float

Autumn sunshine
 heating the coolness
Leaves glowing
 tinged with brown

Steady
Coasting
 clear of sandbars
Toasting
 in the sun

The sun that melts
 my worries
 like toast
 warm and steady
 melts butter

Toast
 with jam and butter
 with coffee and juice
 with yogurt and fresh fruit

is settling in my stomach
while I'm readying for lunch
while holding steady
 in an eddy
 on a float

Leave me in this eddy
 in this idle tidal pool
I need your steady loving
 as time flows by

And I want you to know
I am ready
 steady
 to settle
 not to settle for
 to settle with
 down
 into
 a steady
 loving with you
 almost

You move
with determination
across the field

stand steady
on the shore
watch me floating
in the eddy

You're unsure
but breathe
contentment
in and out

Our gazes meet
hold steady
ready
 or almost

Ready
 Ready
 Steady
 almost

Leave me in this eddy
 in this idle tidal pool
I need your steady loving
 as time flows by

And I want you to know
I am ready
 steady
 to settle
 not to settle *for*
 to settle *with*
 to settle *down*
 to settle *into*
 a steady
 loving with you

I am ready

~ *PAST ALMOST* ~
RELAXED AS A YOGI

Before Zee was relaxed in her center.

Now she is relaxed as a pillow,
comfy as a pillow,
gentle as a willow.

No yogi can outdo her.

RELAXED AS A YOGI

I feel comfy as a pillow
relaxed as a willow
soft and yet sturdy as can be

I feel unmasked like a hero
heart open to the one love
unguarded and safe as can be

seeing you
comfy as a cushion
relaxed as a mushroom
deliciously cozy with me

I feel relaxed as a yogi
meditating on a lotus
chanting interminably

I feel at home to the core
ready and some more
to love and still feel free

seeing you
comfy as a cushion
relaxed as a mushroom
deliciously cozy with me

Then once again we're ready
delightfully
to blow the quiet
to have a riot
to join together
ardently
and later we are silent
you do your thing I do my thing
pottering
comfortably

I feel unmasked like a hero
heart open to the one love
unguarded and safe as can be

seeing you
steadily my ally
relaxed as a valley
at home being with me

dooby dooby do
dooby dooby do
yeah yeah yeah yeah yeah yeah yeahhhh

you do your thing I do my thing
and sometimes we do our thing

dooby dooby do
dooby dooby do
yeah yeah yeah yeah yeah yeah yeahhhh

relaxed as a yogi

~ *IT'S TOGETHERNESS TIME* ~
I ACHE FOR YOU

Zee gets more and more used to the closeness -
evenings together, nights together

They're apart less and less often,
just when Jack needs to go off
for a day or two.

And suddenly Zee finds a new ache.

I ACHE FOR YOU

I ache for you
No mistake
I'm blue

You're away
more than a day

And I ache for you

I feel your hands
holding my hands
I feel strong fingers
across my back

I feel your chest
solid, at rest
I know you're away

And I ache

I ache
for you
No mistake
it's true

I feel you breathe
as you lie next to me
I feel your arms
holding me near

I feel your hands
 cradling my head

But I can't touch
 you

Instead

I ache
 for you
 when you're away
 for more than I day

I feel your touch

and I ache
 make no mistake

we've got what it takes
 to make it through

 hard times
 mad times

But I'm blue
 when you're away
 for more than a day

I feel your hands
But can't pull you near
I feel your lips
But you're nowhere
I feel your skin
Under my palms
I feel you in-
side my heart
But I can't reach
pull you near
cheek to cheek
skin to skin

and I ache
 and I ache
 oh I ache for you

~ *THE BEST HEART BREAK* ~
HEART BREAKING OPEN WIDE

Her heart is breaking open wide.

HEART BREAKING OPEN WIDE

like a grown-up bride
ready to commit
 with joy and pride
feeling so very full inside
like the sea at the highest tide

that will draw back
 opening wide
a stretch of beach
 for footprints made
 side by side
and then swirl inland
 a rushing tide

oh I feel so much

~ ZEE REMEMBERS A WARM SUMMER EVENING ~

summer heat.

barely starting
I am waiting
know you're approaching
slow and easy

I am waiting
sure and easy
you are coming
sure of me

I feel your nearness
your approaching
this evening as every evening

you will be home
we'll make supper
love in the nighttim
